## Raleigh, NC Trip

### Tuesday, April 5, 2016

**Do you enjoy exploring new places?** Then join us on this trip to some interesting City of Raleigh sites you may not have experienced yet. We will be leaving from Anne Gordon Active Adult Center at Millbrook Exchange Park (1901 Spring Forest Road) at 8:45am.

Ever wonder what happens to all the recyclable materials once crews collect them from your home? Get your questions answered on a guided tour of the Sonoco Recycling sorting facility, where all the materials are sorted both by people and machines. Our next guided tour is the Wilders Grove Solid Waste Services Facility, a LEED Platinum-certified site featuring geothermal energy and solar panels. The group will have lunch on your own downtown in the City Market area. A tour of the City of Raleigh Museum is next. We'll hear the history of the Briggs building and then tour the many, always changing exhibits on your own. There will be a new exhibit by Meredith College in honor of their 125th anniversary. Our last stop will be a tour of the beautiful Joslin Gardens, recently donated to the City of Oaks Foundation for preservation. In the future it will become a public garden that welcomes all visitors to enjoy what the Joslins spent more than 60 years creating. The Joslin Gardens paths are not handicap accessible, making them unsuitable for wheelchairs or walkers.

We always encourage participants to wear comfortable walking shoes and clothing. The group will arrive back at the Anne Gordon Center in Raleigh at approximately 4:30pm.
